

Help shape the transformation of the precinct – open space and design

This survey will take 5 minutes to complete.

Open Space Design Guidelines

The Open Space Design Guidelines are listed below:

- Linked and permeable
- Canopy cover and green
- Sense of place and identity
- Sustainable initiatives
- Retain character of habitat zones
- Legibility of urban structure
- Active edges

01. What do you think of the Open Space Design Guidelines? Have we missed anything?

Precinct design guidelines

The Precinct Design Guidelines are listed below:

- Enhance the community's pride and sense of place
- Strengthen Knox Central Precinct as a hub for community
- Create inviting streets, open spaces and destinations
- Expand Knox Central Precinct's role as a mixed-use centre
- Create development opportunities and housing options
- Strengthen partnerships to achieve common goals

02. What do you think of the Precinct Design Guidelines? Have we missed anything?

03. Future civic precinct

As part of the project, we're planning for a future civic precinct. We'd like to understand what future community facilities you would like to see delivered.

--

04. Is there anything else you would like to comment on?

--

05. How did you hear about this community engagement? **Required**
